MANAGEMENT OF THE HOSPITALIZED PATIENT

October 15-17, 2020

This course, chaired by **Dr. Robert Wachter**, covers the clinical issues most relevant to hospitalists and other clinicians who care for inpatients. Taught by UCSF's top teachers, the course highlights recent advances and current controversies, using a mix of large group lectures and smaller group workshops. This year's course is entirely online, taking advantage of the latest technological advances to deliver the best possible experience. In light of the COVID-19 pandemic, in addition to the usual content areas (such as ID, cardiology, critical care, neurology, and hematology), approximately 20% of the course is devoted to COVID-related areas, such as thromboembolism, ICU management, epidemiology, and pulmonary and GI manifestations.

This course is presented by the UCSF Division of Hospital Medicine and is sponsored by the Office of Continuing Medical Education, University of California, San Francisco School of Medicine. It also serves as the West Coast regional meeting of the Society of Hospital Medicine.

Objectives

An attendee completing the **Management of the Hospitalized Patient** course should be able to:

- Improve diagnosis of common inpatient clinical presentations;
- Perform an evidence-based work-up for common inpatient clinical presentations;
- Apply modern therapeutic approaches to common inpatient disorders;
- Apply the emerging scientific data in the diagnosis and treatment of COVID-19 patients in the hospital.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **18.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Geriatric Medicine: The approved credits shown above include **4.75 Geriatric Credits** toward meeting the requirement under California Assembly Bill 1820, Geriatric Medicine.

Pain Medicine: The approved credits shown above include **0.75 Pain Credits** towards meeting the requirement under California Assembly Bill 487, Pain Management and Care for the Terminally Ill.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME.

Pharmacotherapeutics CEUs for Nurses: For the purposes of recertification the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credits™* issued by organizations accredited by the ACCME. This activity is designated for a maximum of **6.25** pharmacotherapeutic credits towards meeting the requirement for nursing pharmacology continuing education. Nurses should claim 0.1 CEUs for each contact hour of participation in designated pharmacotherapeutic continuing education.

Physician Assistants: AAPA accepts category 1 credit from AOACCME, prescribed credit from AAFP, and *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

Pharmacists: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit™*.

Maintenance of Certification: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **18.75 MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Family Physicians: Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**
